

Engineering Bulletin

Bulletin No: EB-00-002

2 November 2000

Equipment: Part No.: IV-3234-04
Description: CCA Serial Data Controller
Manufacturer: Ironics

Subsystem: VME Host Computers Used in RIR Model Radar and Upgrades

The referenced equipment is no longer manufactured or supported by the original manufacturer. There is no recommended substitute. As a result, BAE SYSTEMS has developed a replacement solution that requires both hardware and software modifications to the VME Host Computer.

Please contact our customer service representative for replacement information including price and delivery.
