

## Engineering Bulletin

Bulletin No: EB-05-002

January 7, 2005

Equipment: Part No.: VMIVME-1181-000  
Description: Change of State Card  
Manufacturer: VMIC

Subsystem: VME Processor Systems, Part Numbers 1010756, 8000681, 8001867, 8002031, 8002333.

The Change of State Card, VMIVME-1181-000 manufactured by VMIC is no longer in production. There is no direct replacement card available from the manufacturer. If spare parts are required in VME Processor Systems, a custom designed card will be required. This custom designed card will be form, fit, function compatible with the VME Processor System and require no software revisions to make compatible.

A list of users of this board is attached and mailed only to those who have the VMIVME-1181-000 Card in their radar system.

Please contact our customer service representative for replacement information including price and delivery.
